### Keynote Speaker Mr. Robert Schafer

Mr. Schafer was the Executive Vice President of Business Development at the Hunter Dickinson Group based in Vancouver; Previous senior roles include Vice President of Kinross Gold. Robert is a recent Past President of CIM and the current President of Prospectors and Developers Association of Canada (PDAC). Throughout his +35-year career, Robert has worked in more than 70 countries, largely in North America, but with important efforts in Russia, Australia, China, Afghanistan and India. Robert holds a Bachelor and Master's degree in Geology from Miami University (Ohio), and completed a second Master's degree in Mineral Economics at the University of Arizona. In 1995, he went on to complete the Executive Business Program at Stanford University.
