Keynote Speaker
Ms. Bélanger brings over 30 years of experience with senior gold companies globally with strengths in studies, technical services and operational excellence and efficiency. She is currently the COO and Director of Atlantic Gold. Ms. Bélanger holds a Bachelor of Science degree in Geology and a graduate certificate in Geostatistics. She is also fluent in English, French, Spanish and Portuguese.

Ms. Bélanger has held top executive roles at multiple companies before Atlantic Gold, including CEO and Managing Director of Mirabela Nickel Ltd. and Senior Vice President of Technical Services at Gold Corp. During her career, Ms. Bélanger has also gained considerable expertise providing oversight and project management support for some of the mining industry's key strategic acquisitions.
